## What have we been learning?

Well done to all of the children in EYFS for making a fantastic start at school! The children have been very busy getting to know their teachers and exploring our learning environment. We have worked together to create golden rules to remind us how to treat our things and friends at school, to make sure we keep ourselves and others safe.

The children have been making friends and sharing things about themselves and their lives outside of school. Talking to your child about school, the things they enjoy about school and their new friends and teachers can be a great way to help them settle.

*Thought for the week...*

*What is your favourite thing about school?*

*Have you made new friends at school?*

## Helping at Home

*Share a story together every night before bed. Talk about the characters and events in the story and the bits you liked and disliked.*

*Next week, your child will be bringing home a school reading book. Please spend time reading with your child **at least 3x a week**, and remember to record this in their **Reading Record**, so they can earn a sticker!*

Follow our school Twitter account for updates and challenges to try at home!

@ParsloesSchool

## Don't forget...

*Correct school uniform should be worn to school. If you are unsure of what this is, please speak to your child's class teacher.*

**Please bring your bookbag next week, ready to bring home your new reading book!**
