

PP Year 1 and 2 Newsletter

Friday 17th September 2021

What have we been learning?

Year 1

This week we have been learning about materials. We have sorted materials and been on a material hunt to explore what things in our classroom are made out of. Have a look around your house – how many materials can you find?

Year 2

This week we have been very busy learning about the world's seven continents and five oceans. We have been singing a song to help us remember and label them all on a world map. Have you ever visited another continent?

Thought for the week...

What targets are you setting yourself for this year?

Follow our school Twitter account for updates and challenges to try at home!

STARS OF THE WEEK!

Mathematician of the Week

Ladybird - Aisha
Bumblebee - Gracious
Butterfly - Mahtab
Grasshopper - Ella-Louise
Centipede - Codie

Helping at Home

Daily reading is an important part of your child's learning. Please make sure your child is reading daily and sign their reading record. Once they can read and discuss their book confidently it will be changed.

You should also access Numbots/Times Table Rock Stars regularly at home to support your child develop their fluency of key maths facts ready for their weekly Maths Olympics test in school.

Thank you for your support!

Don't forget...

PE day is on a Thursday. Please refer to ParentMail for information about the correct PE kit to wear.
