## What have we been learning?

This week the children in reception have been busy creating story maps for 'Little Red Riding Hood'. They have been doing an excellent job of retelling the story, remembering the key language and events! The children have also enjoyed investigating our big question of the week, 'what makes the perfect sandcastle?'.  
*(Note: The original image contains a large, faint watermark 'PP' in the background of this section.)*

This week in nursery, we have been learning the 'Humpty Dumpty' nursery rhyme. The children came into class to find an egg that had fallen off a wall and had lots of ideas about what had happened! We have also been learning to count to 5 and have practised clapping out the syllables in our names.

### Thought for the week...

*What makes a good friend?*

### Silly question of the week...

*Encourage imaginative thinking and language development by discussing this week's silly question!*

*Would you rather have a pet dinosaur or a pet dragon? Why?*

## Helping at Home

*Remember to read with/to your child every day at home to help develop their love of reading and books!*

*Encourage your child to develop their independence when taking their coat off and putting it back on.*

**Follow our school Twitter account for updates and challenges to try at home!**

@ParsloesSchool

### **Don't forget...**

*Correct school uniform should be worn to school. If you are unsure of what this is, please speak to your child's class teacher.*

**Reception- Please ensure your child comes to school wearing their full PE kit (including jumper- weather dependent) on this day.**
