What have we been learning?

This week our Reception children have been busy changing one of the main characters in our Talk for Writing story, 'Little Red Riding Hood'. They had some fantastic ideas for different story villains, and have been building their confidence to share their ideas within a small group. The **big question** we investigated this week was, "*Which material will make the best boat?*", which got the children thinking about floating and sinking, and absorbency.

This week in nursery we have been learning the nursery rhyme, 'Incy Wincy Spider'. The children have continued to practise their counting skills and have been having a go at writing their names. We have enjoyed decorating our class Harvest Box, ready to receive all of the kind donations that were sent in.

Thought for the week...

If at first you don't succeed, what should you do?

Silly question of the week...

Encourage imaginative thinking and language development by discussing this week's silly question!

Would you rather eat slugs or snails? Why?

Helping at Home

Remember to read with/to your child every day at home to help develop their love of reading and books!

Encourage your child to develop their independence when taking their coat off and putting it back on.

Follow our school Twitter account for updates and challenges to try at home!

@ParsloesSchool

Thank you for all of your kind donations this harvest...
