

Year 3 and 4 Newsletter

Friday 15th October 2021

What have we been learning?

Year 3

This week we have been learning how to add and subtract two-digit numbers from three-digit numbers by exchanging a hundred or ten. In English, we have been learning about Kit Wright's poem, "The Magic Box." The children created their own magic boxes and items to put into the box. Next week, they will create their own Magic Box poem based on their creations.

Year 4

In Year 4, in Design and Technology, we have been exploring chocolate products to design and create our own flavoured chocolate which we will make next week. In English, we have almost finished reading Charlie and the Chocolate Factory which has inspired us to write exciting character descriptions with carefully selected adjectives and verbs.

Celebration Zone

STARS OF THE WEEK!

Mathematician of the Week

Oak - Luidmile Elm - Kipras
Maple - Enes Beech - Finley

House Points

Seacole 2203	Shakespeare 2617
Bannister 2323	Pankhurst 2476

Thought of the week

One small thought in the morning can change your whole day
