

# Year 5 and 6 Newsletter

Friday 1<sup>st</sup> October 2021

What have we been learning?

## Year 5

This week, we have practised rounding numbers to one million, before moving on to investigate negative numbers.

In English, we invented our own sinister character, before completing a hot task using all of the toolkit techniques taught so far!

In History, we have been learning about the importance of Barking Abbey in Tudor times.

## Year 6

In Maths, we have been learning how to multiply and divide fractions, understanding the logic behind sharing fractions by whole numbers.

In writing, we have sharing, editing and improving paragraphs from our innovated portal stories, paying particular attention to sentence structure, vivid descriptions and engaging vocabulary.

In Science, we have learned about harmful and helpful bacteria, in preparation for our Science investigation next week.

## Thought for the week...

Don't be pushed around by the fears in your mind. Be led by the dreams in your heart. 

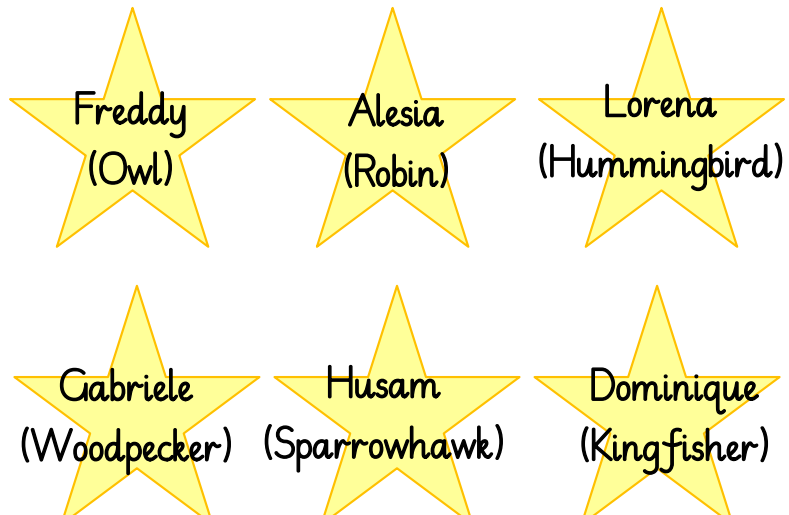

Follow our school Twitter account for updates and challenges to try at home!

## Celebration Zone

### GOLDEN ACHIEVEMENT!

### Mathematician of the Week

|                     |                      |
|---------------------|----------------------|
| Hummingbird – Albie | Woodpecker – Kayla   |
| Robin – Yu-Fan      | Kingfisher – Kayla   |
| Owl – Freddie       | Sparrowhawk – Mariah |

### House Points

|                          |                            |
|--------------------------|----------------------------|
| <b>Seacole</b><br>967    | <b>Shakespeare</b><br>1172 |
| <b>Bannister</b><br>1004 | <b>Pankhurst</b><br>1065   |

### Helping at Home

Please remember to hear your child read aloud at least three times per week. Please record each reading session in their reading record.

Don't forget...

As the weather is changing and becoming more unpredictable, please send your child in with a waterproof jacket or coat.
