

Year 3 and 4 Newsletter

Friday 19th November 2021

What have we been learning?

Year 3

In Maths, we have been learning how to round numbers up or down to the nearest hundred. Our task in English is to write a story about discovering a magical tunnel that leads to an enchanted forest, based on Anthony Brown's book, "The Tunnel."
This week we enjoyed doing experiments to discover which rocks were, hard, durable and which ones reacted to acid. In History, we learned about Star Carr.

Year 4

In Maths, we have been tackling addition using column method and exchanging to solve word problems and apply our understanding and reasoning skills. Our task in English is to write a persuasive letter, using emotive language and conjunctions to explain our arguments, to show why plastic is damaging to sea life.

This week we received a thank you letter from the food bank donations you all kindly donated for harvest.

Thought of the week

You can

Don't forget

PE Uniform to be worn to school on Tuesdays – all jewellery to be removed.

Children can bring a healthy snack into school every day.

Remember to bring your reading record and book and a water bottle to school everyday.
