

Year 5 and 6 Newsletter

Friday 5th November 2021

What have we been learning?

Year 5

We launched our new topic on Tuesday afternoon – literally – as we created a Viking ship in preparation for invading the British Isles.

We have started reading our new text 'Beowulf' and in English we have focused on the Greek Myth of Daedalus and Icarus.

In Maths, we've been learning about multiples and factors.

Year 6

We have practised using a range of features unique to diary entries in English, writing from the perspectives of a range of characters.

In Maths, we have been rounding numbers to a million.

We created circuits to power a lightbulb in Science, drawing the circuit diagrams scientifically.

Thought for the week...

What YOU do today can improve all your tomorrows.

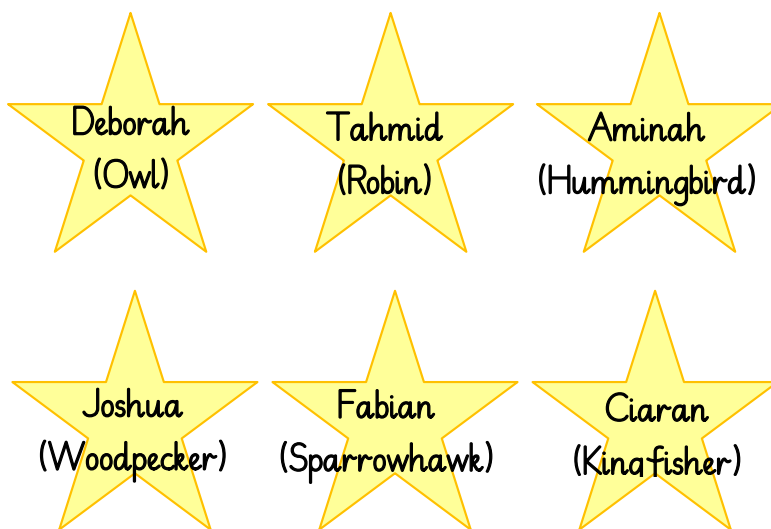

Follow our school Twitter account for updates and challenges to try at home!

Don't forget...

As the weather becomes increasingly cold, please send your child to school with a suitable coat to wear at breaktimes and lunchtimes.
