

# Year 5 and 6 Newsletter

Friday 12th November 2021

What have we been learning?

## Year 5

In our Reading lessons this week, we have read the battle scene between Beowulf and the monster, Grendel.

In English, we have been focusing on how to reveal a character's feelings in our writing.

We've learned about cubed numbers in Maths, so now we just need to memorise them! We have even had time to take a short tour of Europe!

## Year 6

In between tests, we have acted out emotional scenes to help us write heart-felt diary entries. We focused on using a range of stated and show me clue emotions.

In Science, we investigated the impact of increasing voltage on the brightness of a bulb and loudness of a buzzer.

## Thought for the week...

Always remember that you are absolutely unique, just like everyone else.

### Helping at Home

Although your child is in upper school, continuing to hear them read aloud as well as talking about a book together is still so important. Please continue to practise reading with expression and at a good volume.

Don't forget...

Next week is our Anti-Bullying Week: we will complete daily learning activities throughout the week based on the theme of "One Kind Word". Children in Need is on Friday 19<sup>th</sup>.
