Friday 10<sup>th</sup> December 2021

## What have we been learning?

This week, the children in EYFS have kept a close eye on their class elves. One of the elves was caught playing a game of twister, while the other was found climbing up the curtain! All the children enjoyed wearing their Christmas jumpers on Friday, and the children in Reception had great fun eating their Christmas dinner with their teachers. Our Nursery children have been very busy this week, practising their counting skills and writing their names. The children in Reception have been writing Christmas cards and creating story maps of the Christmas story. In their maths learning, they have been using positional language such as **on, under, in, in front, behind, on top**, to describe the position of different objects.

### Thought for the week...

Is it ok to be *different*?

What is *different* about you and your friends?

### Take a look at our STARS OF THE WEEK!

## Helping at Home

Remember to read with/to your child every day at home to help develop their love of reading and books!

Nursery: Practise counting to 5. Can you find different amounts of things when you are out and about? For example: 2 sticks, 5 leaves

Reception: Practise building words using the digraphs we have learnt so far:

*qu, ch, sh, th, ng, nk*

*For example: sing, sink, ship,*

Follow our school Twitter account for updates and challenges to try at home!

@ParsloesSchool

### Don't forget...

*Please ensure your child's reading book and Reading Record is kept in their bookbag. Your child's book will not be changed until their old one is returned.*

*Thank you.*

*Please ensure your child is dressed appropriately for the cold weather (coat, tights/trousers, hat, scarf, gloves). As part of their learning, the children spend time outside. **It is important they are dressed appropriately for this.***
