

EYFS Newsletter

Friday 14th January 2022

What have we been learning?

This week the children in EYFS have started their brand-new topic, 'Ready, Steady, GO!' and have been introduced to our new text for the term, 'Mr Gumpy's Outing'. All the children have enjoyed exploring our new role play areas, 'Dagenham Heathway Station' and 'Parsloes Airport'.

They were very excited to find ice all around our playground on many days this week, which led to lots of discussion about how ice is formed and we watched the changes that occurred to the ice as the sun warmed it up throughout the day!

Thought for the week...

If you could have a superpower, what would it be? Why?

Take a look at our STARS OF THE WEEK!

Helping at Home

Remember to read with/to your child every day at home to help develop their love of reading and books!

Nursery: Go on a 'shape hunt' around your house/local area. What shapes can you see? Can you name the shape? Can you count the sides/corners of each shape?

Reception: Practise reading and writing the tricky words we have learnt so far:

I, the, go, no, to, we, she, he, push, pull

Can you explain why the word is tricky?

Follow our school Twitter account for updates and challenges to try at home!

@ParsloesSchool

Don't forget...

Please ensure your child's Reading Record and reading book is kept in their bookbag at all times. Your child's reading book will not be changed until the old one is returned. Thank you.

Please ensure your child is dressed appropriately for the cold weather (coat, tights/trousers, hat, scarf, gloves). As part of their learning, the children spend time outside. It is important they are dressed appropriately for this.
