

PP Year 1 and 2 Newsletter

Friday 8th July 2022

What have we been learning?

Year 1

This week we have been learning to create and add equal groups. We have practised counting in 2s, 5s and 10s and then used this to help us. We made arrays and then solved simple multiplication problems by drawing pictures to help us.

Year 2

This week as part of our computing lessons, we have been creating our own Ibooks. We worked in groups and took photos to create our own superhero action scenes. Then, we made each photo 'come to life' in our digital story books.

Thought for the week...

Helping at Home

Look at 'The Singing Walrus' YouTube channel. It has lots of different English and maths songs that we use in school to help us learn. We particularly like the songs that help us count in 2s, 5s and 10s.

Don't forget...

Please ensure school lunches are booked in advance at home. Next Thursday 14th July is our special menu pizza day!
