What have we been learning?

Year 1

This week Year 1 have been learning all about halves and quarters of shapes and numbers. We have folded and coloured shapes to show quarters and halves. We then practised finding fractions of amounts by shading and sharing them out.

Year 2

This week Year 2 have been exploring the mass of different objects. We worked in groups to estimate the mass of different objects in our classrooms and used scales to find the mass in grams.

Thought for the week...

Helping at Home

Look at the 'Hopscotch' YouTube channel. It has lots of different songs for a variety of topics that we use in school to help us learn. We particularly like the songs about the continents and oceans.

Don't forget...

Next week is the final week of term. Please ensure all school and library books have been returned. School finishes at 1.30pm on Friday 22nd July.
