

PP Year 3 and 4 Newsletter

Friday 8th July 2022

What have we been learning?

Year 3

In Year 3, we have been creating our own wanted posters for our monsters and using effective adjectives to describe them. In maths, we have been revising time and money, adding and subtracting and understand telling the time.

Year 4

This week, Year 4 have been looking at some famous volcano eruptions and thinking about the impact they have on the environment, economy and people's lives. We have also written our own newspaper report about the events of Mount Vesuvius, thinking about our selection of language relevant to the genre. In maths we have been learning to tell the time using both analogue and digital clocks and thinking about calculating duration of time.
