## What have we been learning?

### Reception

This week the children have settled really well into their new school routine. They have enjoyed participating in a variety of activities and we have been really impressed with their enthusiasm and engagement.

### Year 1

This week we have enjoyed settling into our new classes. We enjoyed sharing our toys as part of our entry point to our first learning theme, 'What's in the Toybox?'. We have been learning what science is and have explored some of the equipment that scientists use.

## Thought for the week...

If you could choose just one thing to change about the world, what would it be?
