What have we been learning?

Year 2

This week we have been authors and written a new section for the story Meerkat Mail. We worked really hard on our presentation!

Year 3

In English, we have been writing our own conflict and resolution stories. We also had fun experimenting with food colouring and flowers to turn petals a different colour.

Year 4

We recreated the process of how food is digested in Science and learned about the advantages and disadvantages of cash crops in Geography.

Thought for the week...

Should we wear second-hand clothes to help the environment?

Follow our school Twitter account for updates and challenges to try at home!

Helping at Home

Numbots and Times Table Rock Stars have the same login. To access either, please type TTRS or Numbots into Google and you can find the correct website. Weekly battles have been set up between classes on Times Table Rock Stars to see who can win the most coins!

Don't forget...

Now that the weather is becoming colder, please send your child in with a coat that is labelled with their name.
