

Year 5 and 6 Newsletter

Friday 16th September 2022

What have we been learning?

Year 5

This week we have been reading Macbeth and exploring the vocabulary so that we can use it in our writing. In maths, we have been using numbers to 100,000 and we also enjoyed learning our Tudor dance in PE.

Year 6

We have been working extremely hard on mastering the four main operations in Maths this week. We have also been enjoying reading *Jumanji*. Our natural world topic has been taught through Geography where we have been researching the tallest mountains on each continent!

Thought for the week...

If at first you don't succeed, try again!

Follow our school Twitter account for updates and challenges to try at home!
