What have we been learning?

Year 5

What an exciting week we have had! On Thursday we visited Eastbury Manor House and learned what life was like in Tudor times. In English, we have been planning our character description based upon the main character within our core text, Macbeth.

Year 6

This week we had a 'Whale of a time' visiting the Sea Life Centre, in central London. All of the children thoroughly enjoyed their visit and acquired many facts which has empowered their learning experience. In Maths, we have also been continuing our work with fractions, in particular, finding fractions of amounts.

Thought for the week...
