

# PP Year 2, 3 and 4 Newsletter

Friday 7<sup>th</sup> October 2022

## What have we been learning?

### Year 2

We have learnt about the polar regions. We wrote postcards in the role of Sunny the meerkat to explain whether we would like to live there or not.

### Year 3

We have taken a closer look at the Amazon Rainforest and River, finding out about their uses and what lives there. We also learnt about the artist Henri Rousseau.

### Year 4

In Science, we concluded our experiment on teeth by observing the impact of various liquids on eggs. It was a fascinating find!

### Thought for the week...

Are actions more important than words?

Follow our school Twitter account for updates and challenges to try at home!
