What have we been learning?

Year 2

We took part in a house challenge celebrating Black History Month. We completed different tasks linked to important black figures to recognise their achievements.

Year 3

This week, Year 3 have finished writing their hot tasks on a bullying theme. We've now started to look at poetry and our own magic boxes.

Year 4

In DT, we got to make our very own chocolate flavours. We melted the chocolate, included our chosen fillings and evaluated our inventions. The children said it was the best lesson ever!

Thought for the week...

This week it was World Mental Health Day. What do you do to look after your mental health?
