What have we been learning?

Year 2

This week we have created Remembrance Wreaths for our assembly and explored more about the Gunpowder Plot and the main events.

Year 3

This week we enjoyed an online Stone Age workshop. We have also been writing some detailed setting descriptions.

Year 4

This week we learned about the different parts of the ear and the process involved in decoding sound waves and vibrations into comprehensible information, with the help of our brain.

Thought for the week...

Today is Remembrance Day. What have you done to remember those who have fought in wars?
