What have we been learning?

## Year 2

This week we have been looking at maps of the UK, in particular focusing on London and different landmarks. We have researched our favourites!

## Year 3

This week, year 3 have been innovating the story of The Tunnel. And in Science we became rock explorers.

## Year 4

This week in Art, we have imitated the work of fashion designer Orla Kiely, before inventing our own designs influenced by her style.

## Thought for the week...
