

# Year 5 and 6 Newsletter

Friday 2<sup>nd</sup> December 2022

## What have we been learning?

### Year 5

This week we have written our own myths applying all the features we have been learning this term. Our maths journey has taken us to look at prime, square and cube numbers where we have had to use our times tables. In History, we have discovered many interesting facts about Alfred the Great and Edward the Confessor.

### Year 6

In Year 6 we have been looking at order of operations in Maths and using known number facts to help us solve further questions. In English, we have been continuing to edit and improve our newspaper reports on Edith Cavell. To celebrate the World Cup, both Year 6 classes have explored our allocated country in greater detail and have produced a piece of work around it.

Thought for the week...

Kindness is a language that the deaf can hear and blind can see.

Check out our school website for more exciting school news!

## Celebration Zone

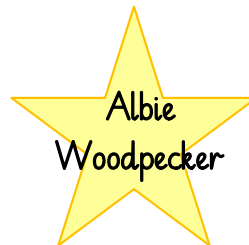

### STARS OF THE WEEK!

Benard  
Owl

Beau  
Robin

Albie  
Woodpecker

Ebrar  
Kingfisher

### Mathematician of the Week

Owl - Zara

Robin - Poppy

Woodpecker - Olivia

Kingfisher - Quareebat

### House Points

<b>Seacole</b> 975	<b>Shakespeare</b> 909
<b>Bannister</b> 963	<b>Pankhurst</b> 1127

### Helping at Home

- Reading at least 3 times per week – adult to sign and date reading record.
- Times Tables practice at least 3 times per week.

### Don't forget...

- PE kits to be in school every day.
- Water bottles and all uniform to be named.
- Book Swap Shop - Every Tuesday.
- School uniform swap shop.
