

Year 5 and 6 Newsletter

Wednesday 21st December 2022

What have we been learning?

Year 5 We ended our term with a Geography focus during which we were thinking about the importance of countries working together. We have also been thinking about what is important to us and created our own happiness continuum. We were also lucky enough to be invited to Dagenham Park school to see their fantastic Christmas Showcase.

Year 6 As short as this school week may have been, the children in Year 6 have been working hard in learning about conscription during WWI and discovering what eventually led to the end of the war. In Reading, we have been enjoying discovering more about what life was like as a WWI child in our book, 'Stay Where You Are and Then Leave' which has been very interesting!

Thought for the week

Gifts of time and love are surely the basic ingredients of a truly merry Christmas.

Check out our school website for more exciting school news!
