

# PP Year 2, 3 and 4 Newsletter

Friday 20<sup>th</sup> January 2023

## What have we been learning?

### Year 2

This week we have been thinking about how to make a cuddly toy. We have experimented with sewing and decorating fabrics.

### Year 3

This week we have been looking at packaging and creating our own design criteria. We then had great fun cutting, scoring and folding nets.

### Year 4

In History, we created our own Ancient Greek God using knowledge of the twelve Olympians. We considered what they had power over and why people might worship them.

### Thought for the week...

This week it is Chinese New Year – what are you looking forward to welcoming?

Follow our school Twitter account for updates and challenges to try at home!

@ParsloesSchool

## Celebration Zone

### STARS OF THE WEEK!

### Mathematician of the Week

Grasshopper – Ruby  
Oak – Mann  
Maple – Ronnie

Centipede – Aisha  
Elm – Rio  
Beech – Oliver

### House Points

<b>Seacole</b> 1047	<b>Shakespeare</b> 743
<b>Bannister</b> 1002	<b>Pankhurst</b> 806

### Helping at Home

*Regular reading is very important. By now your child should be confident at decoding and reading words so you should focus on understanding. Equal time should be given to discussing the book as reading it.*

### Don't forget...

Next week we have an athlete visiting. Please see ParentMail for more information and how to complete sponsorship forms.
