

# Year 5 and 6 Newsletter

Friday 27<sup>th</sup> January 2023

## What have we been learning?

### Year 5

Amazing! Awesome! Brilliant! We have worked so hard this week and shown our knowledge and skills and impeccable behaviour. We have continued to tackle converting fractions in maths with success. In English, we have drawn together many interesting facts to write our own fascinating non-chronological reports about planets. Well done Year 5!

### Year 6

Year 6 are an absolute credit to our school and we are super proud of all of their hard work so far this academic year. In English, we have started our new unit of informal letter writing. On Wednesday, we travelled to the Natural History Museum, to enhance our learning of Charles Darwin and his theory of evolution. It was a fantastic trip and the children really enjoyed it.

## Thought for the week...

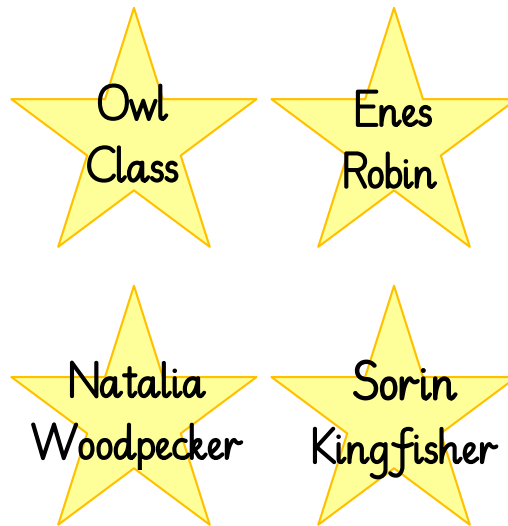

Check out our school website for more exciting school news!
