Dear Parents/Carers,

Health and Safety reminders

Please remember to park with care in the surrounding streets. Please park in the designated parking zones only. Do not park on yellow lines as this restricts parent, carers and pupils' ability to stay safe.

We appreciate your support in this matter.

Safer Internet Day Parent evaluations

What you said;

Thank you to all parents and carers who completed our workshop evaluation last week. You have told us what you would like to see more of. The most common theme was receiving more information about your child's education.

Reminders:

Please remember there are many ways to find out more about your child's education via our termly parents' evenings, curriculum exit points, information on our website and our parent mail emails. You can also make an appointment to see your child's class teacher at another time if you have any concerns. We will aim to host some more specific educational workshops education this coming year.

Please note we have also added many useful links about staying safe online plus many others on the Safeguarding page on our website.

House challenge – University challenge

Today all pupils experienced an outstanding afternoon of house challenges. This included workshops including, cadet training, philosophy, learning Russian, coding, and scientific investigations such as the 'Egg Drop Challenge'. The children learnt new skills in the area they chose.
