## What have we been learning?

### Nursery

We have been thinking about what it is like to go on a journey. We walked to the school library and listened to a story.

### Reception

This week we have been exploring main characters. We chose our own main character and had the opportunity to draw and describe them!

### Year 1

This week we have been learning about our 5 senses. We went on a listening walk around the school and played a feely bag game!

### Thought for the week...

*Why is making time to rest important for our mind?*

**Check out our school website for more exciting school news!**
