## What have we been learning?

### Year 2

This week Year 2 performed their class assembly. We really enjoyed presenting what we have learnt this half term, especially our singing!

### Year 3

We had great fun this week making and eating our delicious healthy wraps. We combined our DT skills with our science knowledge about healthy eating.

### Year 4

We thoroughly enjoyed embracing our inner actors and actresses to share our knowledge of our Ancient Greek topic for this half term with parents and carers.

### Thought for the week...
