

Year 5 and 6 Newsletter

Friday 3rd February 2023

What have we been learning?

Year 5

This week, in Art we have been exploring textures and painted our own 'Starry Night' inspired by Van Gogh. In English, we have been considering both sides of a discussion and applying new vocabulary and grammar. In Maths we have been adding and subtracting fractions.

Year 6

Year 6 have been learning to use informal writing when writing letters this week. We have also been very busy learning to calculate area and perimeter of shapes, including triangles in Maths.

In Art, the children have been sketching leaves in detail, practising using their pencils to create tone.

In Computing, the children have been creating graphs on Excel which has been really exciting!

Thought for the week...

Safer Internet Day is almost here – on Tuesday, 7 February 2023, we will be millions around the globe, joining forces **"Together for a better internet"**

Check out our school website for more exciting school news!
