Conduct

Commerce

Content

Children engage with and potentially harmful content

- Violent, gory, graphic, racist extremist
- Pornography (legal and illegal), culture, body image norms
- Age-inappropriate content
- Some online content is racy and may be hurtful or harmful

Content could be via social media streams and websites.

Technology

Children as young as nine exposed to pornography

🕒 2 days ago

Contact

Children experience and / or are targeted by potentially harmful contact:

- Harassment, stalking, hateful behaviour
- Sexual harassment, grooming, taking and sharing child sexual abuse material
- Radicalisation, extremist recruitment

When children make new friends online they could be sharing personal information about them

Sexual abuse imagery of
primary school children

1,000 per cent worse since
lockdown

[REPORT CHILD SEXUAL ABUSE IMAGES/VIDEOS](#)

Commerce

Child as the consumer can experience:

- Identity theft, fraud, phishing, financial scams, online gambling
- Inappropriate advertising, sextortion, streaming child sexual abuse

Conduct

Children need to be aware of the impact that their online activity can have on both themselves and others:

- Bullying, hateful or hostile peer activity e.g. trolling, exclusion, shaming
- Making, sending / sharing explicit images

It's easy to feel anonymous online and it's important that children are aware of who is able to view, and potentially share, the information, photos and videos that they may have posted.

Online bullying

- Online bullying can happen in many different ways including:
 - unkind messages or comments,
 - sharing embarrassing photos,
 - exclusion from group chats

Do save the evidence

Do report and block

Don't punish your child

Don't retaliate

So you got **naked** online...

Talk about staying safe online

- Talk to your child about their internet use and let them know they can talk to you

What sites do you visit?
What do you enjoy
doing online?

How do you stay safe
online? Any tips for
me?!
Do you know where to
go for help?

If not you, who your child can
talk to, e.g. teacher, Childline

about life online

Childnet International

On the internet...

Explore their online world together

- Get involved with your child's life online
- Learn about the apps, games and devices they use
- Play their favourite games with them, try out their favourite apps...
- <https://www.internetmatters.org/resources/apps-guide/>

**Social networking and
messaging apps**

**Social gaming and live
streaming apps**

**Anonymous and decoy
apps**

Agree rules about what's OK and what's not

- **Clarify** what is allowed... or not
- **Establish** ground rules like no phones at the dinner table or in the bedroom at night-time
- **Agree** shared expectations to reduce arguments and keep everyone safe and healthy
- <https://www.childnet.com/resources/family-agreement/>

Screen time...

- No 'recommended' limits for screen time
- What is device used for?
- Does screen use interfere with what your family want to do?
- Does screen use interfere with sleep?
 - Avoid using devices in hour before bed to promote healthy sleep

Parents should consider their own use of screens...

Parental Controls

Give your child a safe space to explore their curiosity online.

Our step by step guides will help you to set up the right controls and privacy settings on the networks, gadgets, apps, and sites they use to give them a safer online experience.

[SEE SET UP SAFE CHECKLIST](#)

How to set parental controls

Many parents are put off using controls and settings as they think they will be difficult to set up, or complicated to use. With our step by steps guides, we can help make it simple and straightforward.
