

PP EYFS & Year 1 Newsletter

Friday 10th March 2023

What have we been learning?

Nursery

We have been thinking about the farm animals that visited our school last week. Which was our favourite animal and why?

Reception

This week we have been learning all about instructions. The children have enjoyed giving each other instructions and learning how to write them!

Year 1

We have been planning to write our own interesting reports about an amazing animal. In Geography, we have been learning about the different parts of a mountain.

Thought for the week...

Is it easy to set boundaries?

Check out our school website for more exciting school news!
