## What have we been learning?

### Nursery

Nursery children went on a train ride this week to end our topic on transport. They thought it was very exciting despite the rain!

### Reception

This week Reception enjoyed exploring different colours and having the opportunity to mix them. They could not believe how many colours they could create!

### Year 1

This week we enjoyed welcoming parents and carers to our 'African Art Exhibition' to show off our hard work from last term.

### Thought for the week...

*Do stories help us to understand our differences?*

Check out our school website for more exciting school news!
