

PP Year 2, 3 and 4 Newsletter

Friday 3rd March 2023

What have we been learning?

Year 2

It was lovely to see all the children dressed up in their costumes today. We enjoyed sharing and swapping stories with older children in the school!

Year 3

In Geography, we enjoyed researching different countries of the Caribbean and found out more about their languages, populations and physical features.

Year 4

In Science, we created our own series circuits, adding a range of resistors to: light a bulb, sound a buzzer or power a motor. We even managed to make a mini propellor!

Thought for the week...

This week was World Book Day – why is reading so important?

Check out our school website for more exciting school news!

Oak – Nuela

Elm – Nelson

Maple – Skye

Beech – Isabelle

House Points

Seacole 851	Shakespeare 815
Bannister 825	Pankhurst 1022

Helping at Home

Local libraries are a great tool to develop your child's love of reading! Try to organise a visit to explore different types of books in order to celebrate World Book Day!

Don't forget...

Book swap shop takes place every Tuesday on the KS1 playground straight after school. Bring a book along to swap for something different!
