

PP Year 2, 3 and 4 Newsletter

Friday 10th March 2023

What have we been learning?

Year 2

This week we have been exploring the school grounds in order to create a map. We learnt about keys and compass points to help us.

Year 3

This week we have been investigating the human and physical features of Trinidad and Tobago.

Year 4

In Computing, we used Scratch program a microcontroller to make an LED switch on. Extending our Geography knowledge, we researched the different environmental regions (and its conditions) that can be found in North America.

Thought for the week...

This week was International Women's Day – which women are inspirational to you?

Follow our school Twitter account for updates and challenges to try at home!

Oak – George
Maple – Keyaan

Centipede – Helen
Elm – Asher
Beech – Lillie

House Points

Seacole 856	Shakespeare 899
Bannister 932	Pankhurst 840

Helping at Home

Please encourage your child to sign into Bug Club and access books online. Click on the bugs to answer questions about the text to support comprehension. Any problems please speak to your child's teacher.

Don't forget...

Earrings should be removed for PE days. Children should have an indoor and outdoor PE kit in school. Please see our website for further information.
