

PP Year 2, 3 and 4 Newsletter

Friday 17th March 2023

What have we been learning?

Year 2

This week we have been learning how to draw self-portraits. We have thought about shape and proportion to create a realistic drawing.

Year 3

This week, we have been using torches to explore shadows and see how they change depending on the distance of the light source and the opacity or transparency of an object.

Year 4

In science this week, we continued our investigation on electricity. We tested larger circuits and conducted experiments to separate conductors from insulators.

Thought for the week...

Today is Red Nose Day – why is it important to help others in need?

Check out our school website for more exciting school news!

STARS OF THE WEEK!

Writer of the Week

Grasshopper – Aqsa

Oak – Fabian

Maple – Alsio

Centipede – Nicole

Elm – Demi

Beech – Lacie

House Points

Seacole 771	Shakespeare 725
Bannister 779	Pankhurst 687

Helping at Home

Weekly spellings are also set on Spelling Frame. Please log in where you can find fun games to help you practise each word and practise tests so that you can identify which words you need to focus on.

Don't forget...

Next week Year 2 have their church trip on **Wednesday 22nd March**. Thank you to everyone who has volunteered to support this visit.
