

PP Year 2, 3 and 4 Newsletter

Friday 24th March 2023

What have we been learning?

Year 2

This week we have been learning to tell the time. We have looked at clocks and thought about what the minute and hour hands show.

Year 3

In computing, we have been sending and receiving email. We have also been measuring in cm and mm in Maths.

Year 4

In RE, we continued our Easter story and discussed what Christians learn from Jesus. We also discussed what makes a healthy friendship and relationship in PSHE.

Thought for the week...

This week marks the start of Spring – what signs of new beginnings have you seen?

Follow our school Twitter account for updates and challenges to try at home!

Maple – Vainqueur

Centipede – Kaan
Elm – Far-Anat
Beech – Abdullah

House Points

Seacole 734	Shakespeare 725
Bannister 728	Pankhurst 707

Helping at Home

Try visiting www.timestables.co.uk where you can access different activities to help you learn your times tables. It is also important to learn the related division facts too!

Don't forget...

Next week is the last week of the spring term. School closes at 1.30pm on Friday 31st March.
