

Year 5 and 6 Newsletter

Friday 10th March 2023

What have we been learning?

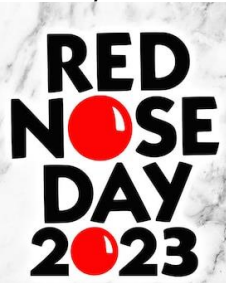

Year 5 In Maths, we have been solving multiplication and division problems. We have written a diary and letter in role as a character from the Highwayman. In Art, we used charcoal to recreate a scene. We have also been using Digimaps to explore land-use and we have been learning about the importance of the green belt.

Year 6

In Maths, we have been looking at angles in 2D shapes, as well as nets of 3D shapes. In English, we have been thinking of points for and against a chosen topic debate. We also had to think about how we may expand our ideas.

Thought for the week...

This Red Nose Day is all about coming together in joy.

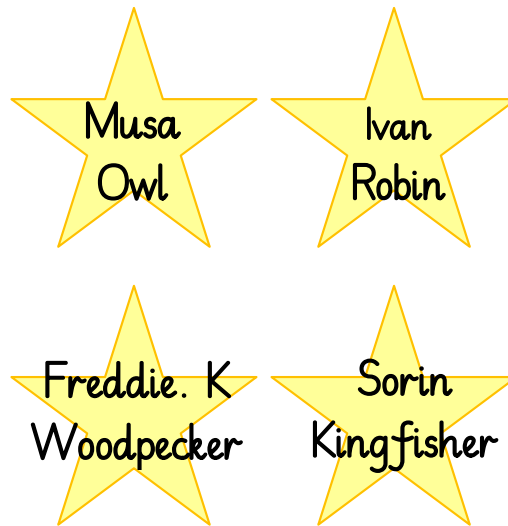

Check out our school website for more exciting school news!
