What have we been learning?

Year 5

This week we had an exciting visit to Barking Mosque where we learned about why Muhammad is important to Muslims. In English we have continued reading the story of The Highwayman and wrote our own diary entries from Bess' experience. We also had our second session with MyBnk in which we learned about salaries and budgeting.

Year 6

The week kick-started off with discussions around salaries and how net pay and gross pay are calculated! We had our visitor from MyBnk teach us the how to differentiate between spending on things we *need* and things we *want*. In Maths, we have been learning about graphs and interpreting the different types including line graphs and pie charts.

Thought for the week...

As it is Mothering Sunday this week, take a moment to say thank you to all the special people in your life!

PARSLOES' GIRLS' FOOTBALL TEAM

Last week, the girls' football team played their league game against a very tough St. Vincent's. Our girls showed a fantastic competitive edge, but were unfortunately beaten 3-0.
