

# Year 5 and 6 Newsletter

Friday 24<sup>th</sup> February 2023

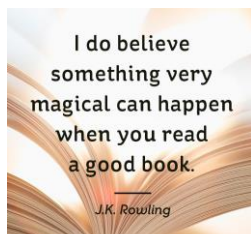

## What have we been learning?

**Year 5** We have been multiplying in Maths this week. In English, we have started reading, 'The Highwayman' and we have written a description of a setting and a character. In Geography, we have been learning about the cities of the UK. We have also used an atlas to name the cities and designed our own city.

### Year 6

In Year 6, we have been looking at ratio in Maths. In English, we have thought about features that are needed in a balanced argument. We have also started reading our new book for this term: 'Kensuke's Kingdom.'

## Thought for the week...

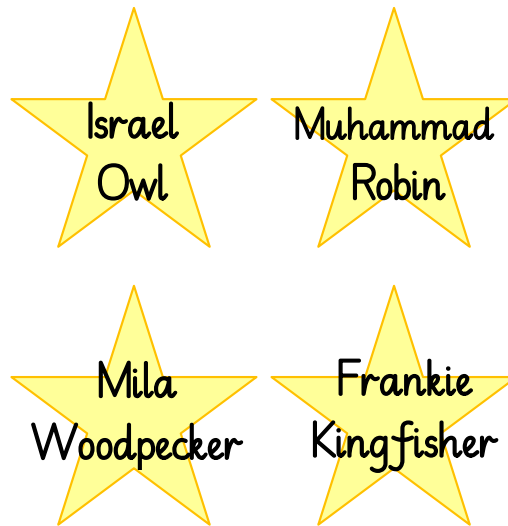

Check out our school website for more exciting school news!
