

# Year 5 and 6 Newsletter

Friday 24<sup>th</sup> March 2023

## What have we been learning?

### Year 5

We had a fantastic trip to Rainham Marshes this week to learn about features of rivers, with a focus upon the River Thames. In English, we have been planning an action scene; whilst in Maths we have been finding fractions of amounts and using our knowledge to find the whole.

### Year 6

Our Year 6 pupils have been working very hard during their mock SATs tests; they have shown real resilience this week. In Computing, they have been busy creating their game on Scratch which has been very fun. In Geography, they have been challenged to learn names of as many capital cities in the world!

## Thought for the week...

Check out our school website for more exciting school news!

## Celebration Zone

### STARS OF THE WEEK!

### Mathematician of the Week

Owl - Olly      Robin - Robyn  
Woodpecker - Tahmid      Kingfisher - Simas

### House Points

Seacole 734	Shakespeare 725
Bannister 728	Pankhurst 707

### Helping at Home

- Reading at least 3 times per week – adult to sign and date reading record.
- Times Tables practice.

A big well done to the girls' football team, who have represented our school amazingly well, in two very tough games this week.

Don't forget...The last day of term is Friday 31<sup>st</sup> march at 1:30pm.
