

# Year 2, 3 and 4 Newsletter

Friday 28<sup>th</sup> April 2023

## What have we been learning?

### Year 2

This week, we have been looking at properties of 3D shapes. We have also been acting as the character of the giant in 'The Selfish Giant' and written some very good diary entries.

### Year 3

We have learned about the discovery of the tomb of King Tutankhamun, in preparation for writing our diary entries next week. We have also started to learn about fractions in Maths.

### Year 4

In Science, we learned about invertebrates and how to classify them based on their features. We also learnt about non-motion animation in Computing and even made our own flipbooks.

## Thought for the week...

Hard work and dedication and perseverance and being good to people does win. It does matter."

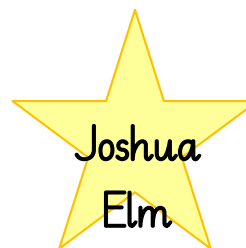

Check out our school website for more exciting school news!

Maple - Shamon

Centipede - Jasmine

Elm - Saffiyah

Beech - Sebastian

### House Points

Seacole 691	Shakespeare 791
Bannister 701	Pankhurst 716

### Helping at Home

Read a wide range of different fiction and non-fiction texts, including leaflets, adverts and newspapers, with your child. Different types of reading helps develop your child's reading skills

Don't forget... Year 3 Parents, please return your consent forms as soon as possible for your trip to the British Museum. Please contact the office or see your child's teacher if you are able to volunteer to help with the trip.
