What have we been learning?

Year 2

This week we have been writing instructions about trapping a mythical creature. We tried really hard to add detail to our work!

Year 3

We have been writing adventure stories and have used some direct speech. We have also finished our Matisse inspired collages.

Year 4

In Geography, we have reviewed the similarities and differences between New York and London. In our My Bnk workshop, we learned effective ways to save our money for the future.

Thought for the week...

Soon it will be the holidays – are there any festivals you will be celebrating?
