

# Year 5 and 6 Newsletter

Friday 21<sup>st</sup> April 2023

## What have we been learning?

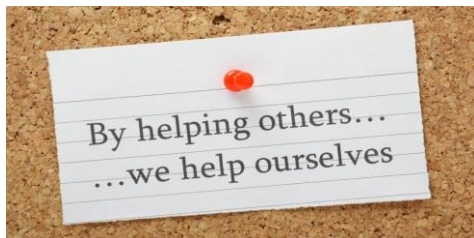

### Year 5

We started our new term by flying paper aeroplanes, manipulating plasticine and making paper boats to investigate forces in our Science entry point. In English, we have explored the emotions of our two main characters, Karl and Fritz, whilst in Maths we are learning about thousandths.

### Year 6

With only a few school days left to the start of the Year 6 SATs, we have been working incredibly hard to ensure we do as well as we can in our tests. We are very proud of the effort the children have been putting in. Continue to work hard and revise, Year 6!

## Thought for the week...

Check out our school website for more exciting school news!
