

Year 5 and 6 Newsletter

Friday 28th April 2023

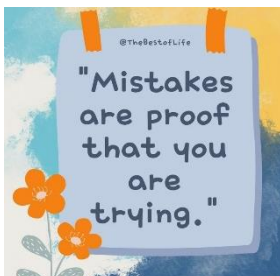

What have we been learning?

Year 5 In Maths, we have been learning how to convert fractions to decimals and vice versa, before ordering decimal numbers. In Reading, we have explored the sinister character of Doctor Kalmenius and his creation Sir Ironsoul. We have been measuring the gravitational pull upon objects forces by using a Newton meter in Science.

Year 6

This week, Year 6 have been continuing their hard work, leading up to SATs, which start from Tuesday 9th May. We have also been talking about how we may manage the challenge of SATs and other tests that may come our way in the future. Continue the hard work Year 6!

Thought for the week...
