

Year 5 and 6 Newsletter

Friday 31st March 2023

What have we been learning?

Year 5 In Computing this week we have been learning how to edit our recorded performances of the Highwayman poem. We have concluded our Geography topic by recording our learning about Rivers. In Maths, we have been converting hundredths and tenths and learning how to partition decimal numbers in different ways. In English and Reading lessons, we have been looking at how different themes are developed within the stories we have read this half term.

Year 6

Year 6 have been writing some fantastic stories based on 'Kensuke's Kingdom' where they have shown a real flair for story writing. In Maths, we have been busy calculating missing co-ordinates. In Computing, we completed our games on Scratch with a few added challenges. In Geography, we have been using atlases and mapping a journey.

Thought for the week...

Soon it will be the holidays – are there any festivals you will be celebrating?

Check out our school website for more exciting school news!

Celebration Zone

STARS OF THE WEEK!

Writer of the Week

Owl - Yussuf Robin - Tabita
Woodpecker - Hatice Kingfisher - Jonatan

House Points

Seacole 691	Shakespeare 899
Bannister 772	Pankhurst 879

Helping at Home

- Reading at least 3 times per week – adult to sign and date reading record.
- Times Tables practice.

A big congratulations to the boys' school football, who won 3-1 against Sydney Russell Primary!

Please remember to stay safe over the Easter break and make sure that you enjoy time together with your family and friends.

Reminder: School starts on Tuesday 18th April 2023
