

# PP Year 2, 3 and 4 Newsletter

Friday 5<sup>th</sup> May 2023

## What have we been learning?

### Year 2

This week we have been working hard on looking at different types of charts in Maths. In English, we have been writing a letter to the Selfish Giant.

### Year 3

We have enjoyed finding out about different early civilisations in History. We are continuing to order and compare fractions in Maths.

### Year 4

In Science, we learned how to classify plants into groups. Using a range of techniques to encapsulate our audience, we designed a setting for our mythical creatures in Art. They were truly magical!

### Thought for the week...

Just one small positive thought in the morning can change your whole day.

Check out our school website for more exciting school news!

## Celebration Zone

### STARS OF THE WEEK!

### Mathematician of the Week

Grasshopper - Zaynah Centipede - Mahtab  
Oak - Owen Elm - Tallulah  
Maple - Harry Beech - Davina

### House Points

Seacole 607	Shakespeare 547
Bannister 618	Pankhurst 638

### Helping at Home

Research has shown that reading aloud to your child is the single most important thing you can do to increase your child's success in school and beyond. Talk about what you are reading together. Show that you value reading by letting them see you read for pleasure.

### Don't forget...

If collection arrangements for your child change, please inform the office so that your child's teacher is aware before the end of the day.
