What have we been learning?

Year 2

This week, we have been working hard on finishing our SATs. Well done to all of Year 2! We have also been telling the time, using clocks.

Year 3

We had a wonderful day at the British Museum on Wednesday. The children were really engaged and interested and their behaviour was excellent.

Year 4

This week we made and filmed our own stop-frame animations using our fantastical background created in Art and mythical creatures created in DT.

Thought for the week...

Make each day your masterpiece.
