

PP Year 2, 3 and 4 Newsletter

Friday 16th June 2023

What have we been learning?

Year 2

This week we have started our new unit called 'Eureka!' and have been looking at inventions and inventors. We have also looked at digital cameras in our Computing lessons.

Year 3

We have been creating our own characters to write a description of them. We enjoyed acting out how our character would move.

Year 4

This week, we have been researching earthquakes and volcanoes. We have learned about their causes and impacts.

Thought for the week...

Never give up on a dream just because of the time it will take to accomplish it.
The time will pass anyway.

Check out our school website for more exciting school news!

Oak - George Elm - Matthew
Maple - Keyaan Beech - Archie

House Points

Seacole 992	Shakespeare 908
Bannister 1133	Pankhurst 902

Helping at Home

Read regularly at home with your child. Remember to sign their reading record.

Log into TTRS to practice times tables.

Don't forget... With the hot weather, please ensure that you send your child in with a named water bottle. Remember to put sun cream on your child before school. We would also encourage the children to wear a hat on the playground whilst the weather is so hot.
