

PP Year 2, 3 and 4 Newsletter

Friday 23rd June 2023

What have we been learning?

Year 2

This week we have had fun learning about William Caxton, the inventor of the Printing Press. As well as becoming inventors ourselves when we invented our own superhero.

Year 3

We have enjoyed looking at magnets this week in Science and identifying magnetic and non-magnetic materials.

Year 4

This week we looked at historic artefacts and tried to discover what they were, how they were used and what they told us about the Romans.

Thought for the week...

Aim for the best, then reach higher. The only way is up.

Lily Mae

Mathematician of the Week

Grasshopper - Mya
Oak - Ramneet
Maple - Leona. O

Centipede - Inaaya
Elm - Ahad
Beech - Amina

House Points

Seacole 929	Shakespeare 936
Bannister 868	Pankhurst 882

Helping at Home

Practice the common exception spelling words. Log into your child's Microsoft Teams account to access a copy of the appropriate words for your child.

Don't forget... Please remember to check that your child's school shoes and PE shoes (plimsolls and trainers) are the correct size.

Our Sports Day is being held on Monday 26th June.
